**CARROLL TOWNSHIP RESIDENTS  
WILL BE VOTING AT A NEW POLLING LOCATION -  
MONAGHAN PRESBYTERIAN CHURCH  
1185 GETTYBURG PIKE, DILLSBURG, PA**

## New PA Mail-in Ballot

In Pennsylvania you now have two options for mail ballots. You may choose a mail-in ballot or an absentee ballot.

**Absentee ballot** - If you plan to be out of the municipality on election day or if you have a disability or illness, you should request this ballot type, which still requires you to list a reason for your ballot.

**Mail-in ballot** - If you aren't an absentee voter, you may apply for a mail-in ballot – You may simply request this ballot without a reason.

In order to request either ballot type, you must be registered to vote. The deadline to register to vote is now 15 days before an election. April 13 for the 2020 Primary Election.

**Mail-in ballot** - for online application go to - <http://www.pavoterservices.pa.gov/OnlineAbsenteeApplication>

You may now vote by mail-in ballot, unless you qualify as an absentee voter, in which case you must vote by absentee ballot. You must apply for a mail-in ballot. There is no excuse needed to use a mail-in ballot. Registered voters can apply for a mail-in ballot online with a valid PA driver's license or photo I.D. from the PA Department of Transportation. If you do not have one of these forms of identification, you will need to download and print a paper application and mail it to your County Board of Elections.

The County must receive applications for a mail-in ballot by 5:00pm on the Tuesday before the Election - APRIL 21, 2020.

Return your voted mail-in ballot by mail to your County Board of Elections using provided envelope, or drop off in person at the Board of Election's office, 28 E. Market Street, York, PA 17401. County must receive voted ballot by 8:00pm Election Day - APRIL 28, 2020 to be counted.

Continued on Page 7

## RECYCLING GUIDELINES

### METAL

- Aluminum beverage cans
- Steel and bi-metal food & beverage cans
- ✓ Rinse thoroughly to ensure they are free of contaminants and residue.
- ✓ Remove caps or lids and dispose of them in the trash.
- ✓ It is not necessary to remove labels.

### GLASS

- Clear, blue, brown and green glass food & beverage containers
- ✓ Rinse thoroughly to ensure they are free of contaminants and residue.
- ✓ Remove caps or lids and dispose of them in the trash.
- ✓ It is not necessary to remove labels and neck rings.

### PLASTICS

- Plastic containers #1, #2 and #5 with a neck smaller than the base
- ✓ Rinse thoroughly to ensure they are free of contaminants and residue.
- ✓ Remove caps or lids and dispose of them in the trash.
- ✓ It is not necessary to remove labels and neck rings.

### NEWSPAPER

- ✓ Clean and Dry.
- ✓ No food contact.
- ✓ Cover loose paper with heavier items in the container to prevent them from blowing.

### CARDBOARD

- All sizes of corrugated cardboard and shipping boxes
- ✓ Dry and flattened.
- ✓ No food contact.
- ✓ Bundle any large or loose pieces of cardboard that will not fit in your recycling bin.

### CARTONS

- Shelf-stable and refrigerated food and beverage cartons
- ✓ Remove and dispose of straws and caps in the trash.
- ✓ Rinse cartons.

**Subscribe to Penn Waste email alerts at [www.pennwaste.com/e-news-signup](http://www.pennwaste.com/e-news-signup) for a monthly newsletter with helpful tips and collection updates.**

# DO NOT RECYCLE THESE ITEMS

- Paperboard (cereal boxes, shoe boxes, tissue boxes, pizza boxes or paper towel/toilet paper rolls)
- Office paper or mixed paper (junk mail, envelopes, letterhead, copier paper, magazines, catalogues, post cards) No shredded paper.
- Needles and medical waste - DO NOT place used needles or any other medical waste in your recycling! Doing so poses a potential health hazard! Place used needles in a plastic detergent bottle and dispose of in regular trash. Household medical waste should also be included in regular trash.
- Food waste and food soiled material
- Broken glass, drinking glasses, windows, mirrors and ceramics
- Styrofoam (packaging “peanuts,” styrofoam cups and bowls, etc.)
- Hoses, Light bulbs and Christmas lights
- Aerosol cans, Aluminum foil, Scrap Metal
- Clothing hangers (metal and plastic)
- Used paper towels or tissues
- Wet paper and cardboard. Check the weather. If the weather forecast calls for rain, keep your recycling inside until the following week, if possible. Wet paper is more difficult to process.
- Chemical, oil and solvent containers
- Plastic grocery bags - Do not bag your recyclables or put plastic bags in the recycling container. If you place plastic bags in your recycle bin, they can get wrapped around the sorting equipment at the recycle center. Then workers have to climb into the machinery and cut off the plastic bags. Plastic bags including grocery, bread, vegetable, dry cleaning, newspaper and many more can be recycled at most grocery stores. For more information, visit [www.abaglife.com](http://www.abaglife.com).
- Plastic bubble wrap, clamshell containers, food wrappers, utensils (forks, knives, spoons, etc.)
- Electronic waste - By law, Pennsylvania residents and businesses may not dispose of electronic devices at the curb or in their trash. Electronic devices include desk top computers; laptops; monitors; computer peripherals such as a keyboard, mouse, printer, etc.; televisions and e-readers. This electronic waste can be taken to Fairview Township Electronic Drop Off Center located at 55 Fairview Road, New Cumberland. <https://www.twp.fairview.pa.us/Township-Departments/Refuse-Recycling/Electronic-Recycling-Facility> for more information.

## York County Solid Waste Authority's Household Hazardous Waste Collection Event

Each year on the first Saturday in May, the Authority conducts a **FREE** Household Hazardous Waste (HHW) Collection Event. The next event will be held on Saturday, May 2, 2020 from 9:00am to 1:00pm in the parking lot of 2650 Blackbridge Road, York. There is no fee for York County residents to participate. **Businesses and government entities are not eligible to participate.**

Examples of hazardous waste are: Driveway Sealant, Flammable Materials (fuels, solvents, wood stains, etc.), Fluorescent Bulbs, Tube Lights and Lighting Ballasts, Garden Chemicals (fertilizers, herbicides, insecticides, etc.), Household Cleaners (chemical strippers, disinfectants, stain removers, etc.), Mercury Containing Devices and Liquid Mercury, Photographic Chemicals, Pool Chemicals, Rechargeable Batteries, and Vehicle Fluids (antifreeze, brake fluid, motor oil, etc.) [www.ycswa.com](http://www.ycswa.com)

# Curbside Leaf Pick-up & Leaf Waste Drop-off

Carroll Township has purchased a Leaf Vacuum Collector through a Department of Environmental Protection (DEP) Act 101, Section 902 Municipal Recycling Grant. Leaves will be collected along public Township and State Roads. The Highway Staff will be going through the Township weekly from last week of October through second week of December to collect the leaves. Township residents must rake leaves to the curb or to the edge of the road by Monday, 7am for leaf pick-up that week.

Located on Sunny Lane, the Carroll Township Leaf Waste Drop-off Facility is open year around for disposal of leaf waste. You must apply for a Key Card to access the facility. Key cards are available for residential, non-residential and landscape/lawn service businesses which reside in the Township. Applications are available at the Township office and our website [www.carrolltownship.com](http://www.carrolltownship.com). The applications are processed at the Township office. Cards are free to residents, \$300 to non-residential and \$500 to landscape/lawn service businesses. Lost or damaged cards can be replaced for a \$20 fee.

Materials accepted are leaves, shrubbery, garden residue, tree trimmings, and similar materials. NO grass clippings. All items must be removed from bags. Do not leave bags in the facility. These materials are transported to a PA DEP permitted composting site.

Do not drop-off root balls, skids, treated lumber, telephone poles, railroad ties, bricks, stones, metal, steel, aluminum, furniture, garbage of any type, tires, batteries, construction materials or any other item that is not considered Leaf Waste. These items can damage the equipment during processing. Anyone who does not abide by the rules shall be denied access for a minimum of the remainder of the calendar year.

## Options for Paper Recycling

**Continental Paper Grading, located at 3350 Concord Rd, York, PA 17402**, will accept various paper grades from residents and businesses that were previously acceptable in single stream recycling before the June 2018 guideline changes. Here are the requirements:

- Before bringing materials to the facility, "white paper" (office paper, junk mail, newspaper, magazines catalogues, etc.) must be separated from "brown paper" (corrugated cardboard, empty paper towel and toilet paper rolls, paperboard cereal boxes, tissue boxes, etc.)
- Books may also be recycled, but hard cover books must be separated from soft cover books.
- If recycling a large quantity of material, residents and businesses must call ahead at 717-885-7881.
- All residents and businesses delivering any amount of material must check in at the front office and will be directed from there.
- Continental Paper Grading will be accepting material from the public Monday through Friday, from 8:00 am to 4:00 pm.
- There is no outside drop-off container and absolutely no dumping is allowed.

**Consolidated Scrap Resources, the 120 Hokes Mill Rd, York, PA 17404, (717-843-0931)** WILL ACCEPT ONLY MAGAZINES FROM RESIDENTS, no other paper products. Residents may drop off magazines in the bins marked "Ronald McDonald House Charities" Monday through Friday from 7:00 am to 4:00 pm.

Consolidated Scrap Resources will accept office paper and other paper grades from BUSINESSES ONLY.

# Electronic Recycling

Under PA Act 108 (the state's Covered Device Recycling Act), it is unlawful for Pennsylvania landfills and resource recovery facilities to accept specific electronic devices (computers, computer peripherals and televisions) for disposal. PA waste haulers are also prohibited from collecting these electronics for disposal. Fairview Township's Electronic Recycling Center is open to all York County residents free of charge. Summer/Fall (April-Oct) hours are Monday—Saturday, 8:00am to 4:30pm except holidays. Winter/Spring (Nov-March) hours are Monday—Friday, 9:00am to Noon and the 1st and 3rd Saturday of every month, from 9:00am to Noon except holidays.

Fairview Township's Electronics Drop Off Center is located at 55 Fairview Road, New Cumberland.

Other electronic devices that are accepted at the drop-off include answering machines, CD players, fax machines, computer hard drives, mobile phones, modems, microwave ovens, pagers, small home office copiers, printers, printed circuit boards, clocks, radios, remote controls, stereos, tape players, MP3 players, electronic toys and games, photo and video cameras, telephones and telephone equipment, VCRs, toaster ovens, hair dryers, electric razors, and many other mixed household electronics.

York County businesses, schools and organizations are not eligible to participate in this residential electronics recycling program. Additional information can be found at [www.twp.fairview.pa.us](http://www.twp.fairview.pa.us).

# MedReturn Drug Collection Unit

Carroll Township has a MedReturn medication take-back box in the lobby.

**Accepted** items include: prescriptions, prescription solid or liquid medications, prescription patches & ointments, inhalers, over-the-counter medication, vitamins, and medications for pets.

**Not Accepted** items include: thermometers, hydrogen peroxide, aerosol cans, personal care products in the form of non-prescription ointments, liquids or lotions, medications from businesses or clinics, needles (sharps), bloody or infectious waste and hazardous waste.

The lobby is open 8:30am to 4:30pm. Just look for the green MedReturn Box.

Medications collected in the take-back box program are delivered by law enforcement to the York County Solid Waste Authority's waste-to-energy facility for safe and complete destruction. Law enforcement also maintains the box and secures medications that are received until they can be destroyed.

Eighteen York County police departments currently partner with the York County Solid Waste Authority (YCSWA) to host medication take-back boxes in their police department lobbies. In 2019, the program safely collected and disposed of a total of 2.62 tons of unused and expired medications.

# Retired Flag Disposal Box

*Do you have a worn flag to dispose of? Carroll Township has a retired flag drop-off box located just inside the main doors. Collected flags will be given to the American Legion for proper disposal. Flags may be dropped off during normal office hours.*

# Municipal Separate Storm Sewer Systems - (MS4)

## Spring and Summer Maintenance of Your Stormwater System:

If you are a part of a Home Owners Association or have a stormwater facility on your property, please remember that it is a facility, like equipment, like a house, it needs maintenance.

- Drawings and instructions for maintenance are often available from the original owner and possibly from the Township.
- Keep basins, swales and paths free of debris
- Keep facilities clear of invasive plants, brush and unplanned trees.
- Mow facilities appropriately
  - Weekly (or as appropriate) at 3-6" for embankments
  - Monthly or twice a year for bottom, dependent upon features
- Make sure any structures, pipes or concrete are maintained.
- Remove obstructions in swales.
- Remove sediment build up. (Discuss with Township)

## Your Stormwater Facility and Your View

- You have a responsibility to maintain your stormwater facility in the design condition as a minimum, but that doesn't mean you can't make it better.
- Treat it like a feature of your property instead of a wilderness where no one is allowed to enter.
- Remember that typically, it was built by a Contractor for lowest cost at minimum requirements to meet the Ordinance.
- Research what you can do to make it better, more appealing, better for the environment. Talk to the Township to make sure planned changes are consistent with the design intent and if it requires any permitting.

# New PA Mail-in Ballot - continued from page 1

**Absentee ballot** - for online application go to -

<http://www.pavoterservices.pa.gov/OnlineAbsenteeApplication>

Registered voters who may vote absentee include:

- College Students
- People whose work or vacation take them away from the Municipality where they live
- Those with a physical disability or illness that prevents them from going to the polling place
- Members of the military
- People who may have a conflict due to the celebration of a religious holiday

Registered voters can apply for an absentee ballot online with a valid PA driver's license or photo I.D. from the PA Department of Transportation. If you do not have one of these forms of identification, you will need to download and print a paper application and mail it to your County Board of Elections.

The County must receive applications for an absentee ballot by 5:00pm on the Tuesday before the Election - APRIL 21, 2020.

Return your voted absentee ballot by mail to your County Board of Elections using provided envelope, or drop off in person at the Board of Election's office, 28 E. Market Street, York, PA 17401. County must receive voted ballot by 8:00pm Election Day - APRIL 28, 2020 to be counted.

If you are sent an absentee or mail-in ballot and the county receives your voted ballot by the deadline (8:00pm on Election Day), you may not vote at your polling place. Your vote is considered final at that point. However, if you mailed your ballot too late, or you aren't sure whether the county received your voted ballot in time, you may be able to vote a provisional ballot at the polling place. If you were sent an absentee or mail-in ballot, but your polling place has no record the ballot was voted and received, you may vote by provisional ballot. However, if the county does receive your voted ballot in time, that ballot, not your provisional ballot, will be counted.

**Annual Ballot Request List**—New for 2020 and beyond, you have the option to request to be added to an annual ballot request list. If you are on this list, you will receive an application to renew your absentee or mail-in ballot request each year. After your annual application is approved, you will automatically receive ballots for all elections occurring the remainder of the year. You do not need to submit an application for each election.

## **No Straight-Party Voting**

You no longer have a shortcut straight-party button to vote for all candidates of one party. If you want to vote for candidates of one party, you have to select candidates one at a time.

Visit [www.votespa.com](http://www.votespa.com) to check your registration status, register online to vote, find your polling place and more.

## **Carroll Township Planning Commission Public Meetings Announced**

**NOTICE** is hereby given that the Carroll Township Planning Commission, York County, Dillsburg, Pennsylvania announces that they will be holding public meetings on Thursday, April 02, 2020 at 6:00pm, Thursday, April 16, 2020 at 6:00pm, Thursday, April 23, 2020 at 6:30pm, and Thursday, May 07, 2020 at 6:00pm. to discuss proposed changes to the Carroll Township Zoning Map and amendments to the Carroll Township Zoning Ordinance. The meetings will be held at the Carroll Township Municipal Building, 555 Chestnut Grove Road, Dillsburg, Pennsylvania.

# Townships Count on Census Numbers

What takes place just once every 10 years, yet its effects will be felt over the next decade? It's the census, a massive undertaking mandated by the U.S. Constitution to count every man, woman, and child in America.

Data collected during the 2020 Census will drive how federal and state money is distributed to local governments for the next decade. Some of the billions of dollars that the federal government provides to Pennsylvania for critical programs including housing, broadband access, and transportation projects, filters down to townships.

Your responses are used to redraw legislative districts and determine the number of seats your state has in the U.S. House of Representatives.

The commonwealth also relies on census data to allocate money to communities for local improvements, services, and projects. Some of the key programs that townships receive funding for based on population numbers include:

- Liquid Fuels Funds for roads
- Act 13 natural gas impact fees distribution
- Liquor license fees distributed to host communities
- Community Development Block Grants
- Foreign Firefighters Relief Funds
- Recycling Grants

## Completing the 2020 Census Questionnaire:

- April 1 - Census Day. By this date, every home will receive an invitation to participate in the 2020 Census. This year respondents will have three methods for responding to the questionnaire. Return the paper copy, accessing the form online, or calling the Census Bureau.
- The 2020 Census questionnaire consist of about 10 simple questions, like age, sex, and the number of people who live in your home, including children. The goal remains the same. Count everyone once and only once in the right place. Fill out the form based on where you live and sleep most of the time as of April 1, 2020. The Census will never ask for Social Security numbers, bank or credit card numbers, money or donations, or anything related to political parties.
- May through July, the Census Bureau will begin following up in person with households that have yet to respond.

## Your Census responses are safe and secure:

The Census Bureau is required by law to protect any personal information they collect and keep it strictly confidential. The Census Bureau can only use your answers to produce statistics. In fact, every Census Bureau employee takes an oath to protect your personal information for life. Your answers cannot be used for law enforcement purposes or to determine your personal eligibility for government benefits.

**For more information visit [www.2020census.gov](http://www.2020census.gov)**

**DID YOU KNOW...?**

**United States®  
Census  
2020**

**A 2020 Census invitation will be in your mailbox starting in mid-March.** Make sure you're counted! Complete your census questionnaire online, by mail, or by phone to ensure that your community is accurately represented and eligible for every dollar it deserves. Respond based on where you live and sleep most of the time as of April 1, 2020, National Census Day. Visit [2020census.gov](http://2020census.gov) or [pa.gov/census](http://pa.gov/census) to learn more. **#2020Census**

## Logan Park

The Logan Park Authority continues to fulfill its purpose to provide a safe and clean location to play, picnic, and enjoy the outdoors. Warmer weather on the way will bring the children out to play, bluebirds back to the park to nest and the pollinator garden to bloom. Spring sports teams will start their season in April. The rest rooms will open the week of April 6th.

Projects for 2020 include an addition to the barn for the storage of National Night Out equipment. Tyler Romberger will be building new horseshoe pits and a bocce ball court for his Eagle Scout project. This new game area will be located where the old volleyball court used to be next to the pavilion.

The bio-swale has been completed. This was necessary to reduce the excessive storm water run off from the upper section of the park and driveway. A base of loose substrate was used along with a layer of river stones, rocks and planted with native plants for absorption. This will reduce run off into local streams and the Chesapeake Bay.

The yearly Spring Cleanup is scheduled for Saturday, May 2nd beginning at 9:00am. Area residents who use the park are requested to volunteer (call Nancy at 717-712-3951 for more information). This work involves cleaning up sticks and debris, planting and mulching.

Anyone who wants to reserve the pavilion for a special event, contact Bil Cressler at 717-502-2401 or by emailing [loganparkauthority@gmail.com](mailto:loganparkauthority@gmail.com). A \$75.00 donation is required.

**Logan Park Authority Board Members:** *Bob Ingham- Chair (Carroll), Ted Pawlik- Vice Chair (Carroll), Kay McKinney- Secretary (Carroll), Bil Cressler- Treasurer (Carroll), Terri Hildebrand- Historian (Dillsburg), Chad Reed (Carroll), Nancy Putt (Dillsburg), and Kristen Omler (Dillsburg).*

## Spring is Ambulance Membership time!

Mailers are going out in March for this coming year's membership drive for those who live in the Geisinger EMS primary service area. The membership year is April 2020 through March 2021. Your subscription covers 100% of co-payments and 50% of deductibles for emergency calls. There is also a discount for non-emergency transportation.

You may subscribe by mail or online at [www.hsems.org](http://www.hsems.org), click Online Payments, Membership. If you live in Carroll, Dillsburg, Franklin, Franklintown, Warrington, Washington or Wellsville, your area is "Northern York County", then choose Individual or family.

Any questions please call 717-763-2108, extension 2.

Please note, regarding the potential impact of the Geisinger and Penn State Health letter of intent that was announced in October, if finalized, you will still receive uninterrupted service and your membership will still be accepted. As always, we transport to all area hospitals. It is our honor to serve you.

### Carroll Township Office will be closed on the following dates:

April 10—Good Friday

May 25—Memorial Day

July 3—Independence Day

September 7—Labor Day

November 11—Veterans Day

November 26—Thanksgiving Day

November 27—Day after TG

December 24—Christmas Eve

December 25—Christmas Day

# Highway Department Comments

Carroll Township makes every effort to keep its roads in good condition and safe for travel. Constant work and maintenance goes into keeping our roads hazard free. The Township’s proposed road projects for 2020 will consist of the following:

- **Spring Lane Road**—Base repair and resurfacing of from Gettysburg Pike to the point of previous overlay.
- **Hidden Springs Road**—Resurfacing from Chestnut Grove Road to the end.
- **Logan Downs Development**—Crack repair and microsurfacing of all roads in the development.
- **Fairway Hills Development**—Crack repair and microsurfacing of all roads in the development.

Dates of the proposed work will be posted on the Township website and on site prior to work beginning. Expect road closures or lane restrictions for this work.

The Township Road Crew will be out and about working on various projects and maintenance of infrastructure throughout the Township. As always, please be on the lookout for the crew and use caution when traveling through work areas.

## Pot Holes

To report a pot hole or other roadway concern on a **Carroll Township Road** please call the Township Office at **(717) 432-4951**.

For a **Pennsylvania State Highway**, you can call the PennDOT toll-free pothole hotline at **1-800-FIX ROAD (1-800-349-7623)**.

In Carroll Township, Route 15, Route 74, Mountain Road, Camp Ground Road, Williams Grove Road, Harrisburg Pike, Baltimore Street, Old York Road, Mumper Lane, a portion of Chestnut Grove Road, Fileys Road, and W. Siddonsburg Road are State Roads.

## ***Free Resident Shredding Event***

**DATE: SATURDAY, JUNE 27**

**TIME: 9:00AM TO NOON**

**LOCATION: PARKING LOT AT THE  
CARROLL TOWNSHIP MUNICIPAL BUILDING**

Carroll Township residents and businesses are invited to have “confidential” paper material securely destroyed by Higher Information Group. Items include but are not limited to: Old tax returns, pay stubs, bank statements, receipts, utility bills, etc. Staples and paper clips are fine. This is a free service to our residents.

The number of individuals affected by fraud and identity theft continues to grow at an alarming pace. Identity theft begins with personal data like bank account information, social security numbers, insurance records, etc. getting into the hands of fraudsters. Shredding is a simple way to ensure that paper documents containing confidential and personal information are securely destroyed.

Although shredded paper is not accepted in your home recycling, professional shredding can be recycled. Higher Information Group will take the shredded paper directly to the pulping mill for recycling. Each recycled ton of paper fiber saves 17 trees!
